

Lunar New Year Celebrations

Lunar New Year Celebration CHIJ OLQP staff and students ushered in the year of the “Tiger” with a series of exciting activities.

The students participated enthusiastically in the LNY card design competition and submitted creative designs. On the eve of LNY, the students celebrated LNY by learning about the origin and customs of LNY.

Everyone enjoyed the creative performances by the different CCA groups and participated actively in class activities such as the traditional paper-cutting and a quiz on Chinese customs.
